

MARANG NTHATO
ENTERPRISES (PTY) LTD

COMPANY PROFILE

ABOUT US

Marang - Thato Enterprise is a level three rated BEE company with ambitious targets within the Municipalities, Government Departments and Construction industries. Marang-Thato Enterprise was founded on the basis of needs and aspirations of the disadvantaged people, especially in the mainstream of economic development of the country, South Africa. We noted that, there could be no solution to our problems unless we embark on a process of nation building through maintenance, capital projects and sustaining our natural environment.

MISSION

Our mission is to deliver high quality services to our clients optimally and promptly. To build solid relationships with our clients and to ensure excellent customer care. Our Mission is attainable through the principals of integrity, transparency, commitment, communication, trust relationship, development and excellence with all deliverables aligned to the highest accredited standards.

VISION

To set the standard and pace for construction-related services in all arenas through hard work, ethical business practices, and philanthropic endeavours. To create a culture within our company that will create quality-minded employees and top-quality performance.

We will seek to AMAZE our customers! By integrating our total quality process throughout our firm, we will become the premier provider of construction services, and our customers will be astounded. By continuously improving our performance, we will work to provide our customers with outstanding project performance. We will gain distinction through quality.
